

Students who wish to enroll in the M.S. in Accounting program must complete the following prerequisite undergraduate courses or their equivalents, as determined by our graduate program director:

General Business Content Area:

- Business Statistics
- Introduction to Macroeconomics
- Principles of Management
- Principles of Marketing
- Business Applications and Information Systems
- Introduction to Microeconomics
- Business Law I
- Principles of Finance
- Business Ethics and Professionalism

Accounting Content Area:

- Introduction to Financial Accounting
- Intermediate Accounting I
- Income Tax I
- Introduction to Managerial Accounting
- Accounting Information Systems

Additionally, we highly recommend the following two courses for students planning to take the CPA exam.

- Intermediate Accounting II
- Government and Nonprofit Accounting
